

Welcome

Bridging Excellence in Pediatric and Adolescent Gynecology Connecting Care, Research and Innovation

Dear PAG Colleagues and Friends,

We are delighted to welcome you to the World Congress of Pediatric and Adolescent Gynecology (WCPAG) 2026. This event, hosted by NASPAG and FIGIJ, will celebrate our shared commitment to advancing gynecologic and reproductive health care for children, adolescents, and young adults.

We look forward to welcoming you for opportunities to learn, connect, and engage with the supportive NASPAG and FIGIJ community.

CONFERENCE STRUCTURE: SOMETHING FOR EVERYONE

Whether you are new to NASPAG or WCPAG, or a longtime attendee, our program spans three full days (Thursday, April 23 – Saturday, April 25, 2026) with pre-conference activities on Wednesday, April 22, 2026. It offers a dynamic blend of education and networking.

HIGHLIGHTS INCLUDE:

- Early-morning roundtables: Small group discussions to connect with colleagues, exchange ideas and foster collaborations.
- Plenary sessions: World-class speakers addressing key topics related to gynecologic and reproductive health care.
- Hands-on workshops: Practical skill-building for all experience levels.
- Abstract sessions: Highlighting scholarly work and cutting-edge research. Including e-posters (research presented in a digital format)
- Concurrent workshop tracks: Choose to focus deeply in one area or sample a variety, with sessions on menstrual concerns, pubertal issues, polycystic ovarian syndrome, amenorrhea, adnexal masses, pelvic pain and endometriosis, uterovaginal anomalies, DSD and intersex variants, vulvovaginal concerns, fertility preservation, and more.
- Expanded surgical content: via hands-on workshops, surgical videos, and a global vaginoplasty panel with experts Drs. Kirsten Kluivers, Katharina Rall, and Rene Wenzl
- The “Golden Gate Welcome Reception”: Join us Thursday evening to kick off the congress with networking and celebration of the PAG community.
- Opportunities to connect with industry: Explore new equipment, technology, and clinical care products in the exhibit hall and during sponsored lunches.
